4. a mobile phone	5. blog	6. a digital camera
7. a DVD player	8. a MP3 player	9. electronic games

Part B (i) Reading passage (40%)

Linda lives with her Grandma now. When her Grandma was young, she only lived in a small hut. There was no toilet in it. Grandma was lucky because she went to school when she was young. Some children never went to school in those days. Nobody played electronic games in the past and most people had a radio.

Part B (ii) Learn by heart (20%)

1. Many students like playing computer games in their free time.
2. Listening to the radio is not very popular now.
