## Part B: (i) Paragraph (40%)

Dolphins are like children. A dolphin trainer needs to be patient and caring so that he can look after them. He needs to be hard-working too ... and he needs to be outgoing so that he can entertain the audience during the show. He also needs to be strong so that he can stay in the water for a long time.

## (ii) Learn by Heart (20%)

1. Last Saturday, I went to a theme park with my family.
2. I watched an exciting football match with my cousin in England.
