Part B:

(i) Paragraph (40%)

Kaisong lives in a tiny hut with her family. The hut is very crowded because it is only the size of a double bed.

Kaisong's mother is blind so Kaisong needs to look after her. They do not have enough money to buy food or medicine. Kaisong has to walk for two hours to the nearest town to beg for food.

People in Kaisong's village often get sick because they do not get enough food and the drinking water is so dirty. Life is very hard in Laos.

(ii) Learn by Heart (20%)

1. The book shop was crowded with people because it was on sale.
2. No elephants can climb a tree, we have our own talent.
